

Information Sheet

Bird Box Making

Intro

Curriculum Links

What you need to bring

Ratios we recommend for this activity are:

Age	3 - 6	1:2
	7-9	1:8
	10+	1:12

What we supply

The boxes consist of 6 pieces of wood that are all nailed together, with a hinged lid. The children will need to work in small groups that can be closely supervised by an adult.

At the end of the Session children will have..

What happens in the session

The session will start with a talk about different birds and the importance of bird boxes for them.

The boxes that you will be making in the session are specifically designed for blue tits.

The boxes consist of 6 pieces of wood that are all nailed together, with a hinged lid. The children will need to work in small groups that can be closely supervised by an adult.
